

Internet Search Tip!

“Use quotation marks for exact phrases”

Do you remember parts of phrases you’ve seen on a Web page or part of a quotation you want to track down?

Using **quotation marks** around a phrase will return only those exact words in that order. It's one of the best ways to limit the pages returned!

MERLOT is a curated collection of free and open online teaching, learning, and faculty development services contributed and used by an international education community.

Coming Soon! A26 will be providing Micro-Learning! The new “hands-on” labs will be opening soon and will provide opportunities for Instructors

to learn in a “sandbox” created inside e-Campus! Experts will be available to assist you and answer your questions! The best part is ... YOU choose which sessions you feel you need for your course!

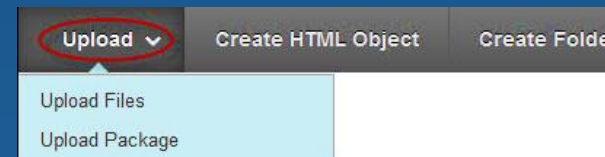

If you:

Blackboard tip!

1. Have a large group of files to be brought in to Blackboard, you can upload them *all at once*!! If you have several files compressed into a zip file, you can bring them into your Blackboard course either of two ways:

A. You want to provide students with one link, to download zipped files in compressed form and unzip them on their computer, use Upload Files from the Course Files area

B. If you want to upload a zip file but have Blackboard split it out into the individual files, so that students can look at them individually, use Upload Package from the Course Files area.

Yikes!!!

TitanPad.com will be shut down in the coming year.

You can read more about the decision:
