Web Whiteboard is the simplest way to instantly draw and write together online. Nothing to install or learn. Passwords and accounts are entirely optional. Just create an online whiteboard with one click, and share it live by sending the link to people. <a href="https://webwhiteboard.com">https://webwhiteboard.com</a>

## **OneNote**

Did you know you can Password-Protect OneNote Sections! Select the 'Review" tab – then select the "Set Password" icon. A box will come up with an area for you to type in a password. You will have to confirm the password and then select "OK". You just need to edit an image and you don't have Photoshop? Well, now you do! Easy to use, saves from the web to your desktop!
